*CHPC our sponsors for their generous sponsorship of our GREEN program.*

## CHPC President Matt Schwartz to Speak at Energy Efficiency Conference September 8<sup>th</sup>

The first of a three-part series on urban sustainability, the September 8<sup>th</sup> conference includes a thought-provoking mix of industry experts. Panelists with hands-on experience in sustainable residential energy use, as well as policy and regulatory officials, will present a wide breadth of information on energy efficiency in the residential sector.

### HOW DO I GET INVOLVED?

GREEN is a collaborative effort by stakeholders to make energy retrofit funding available to federally assisted low-income rental apartments that serve our state's lowest income residents. To learn more, please contact our Sustainable Housing Policy Coordinator, **Ross Nakasone at 415-433-6804 x310.**
